Hon. Christopher Kibanzanaga

RE: HALF SCHOLARSHIPS FOR STUDENTS FORWARDED BY YOUR OFFICE FOR ADMISSION TO DIVINE INTERNATIONAL UNIVERSITY.

Greetings! Divine International University (DIU) was licensed by the National for Higher Education (NCHE) in April, 2025 with six accredited Degree programs and six accredited Diploma programs of study, in addition to certificate courses that DIU has added (see Brochure attached)

Owing to your well-known support for education in the country, especially for the under-privileged, our university is pleased to offer you 50 (fifty) half scholarships for students forwarded to us by your office for admission (Refer to Brochure for our fees structure). This offer excludes the Functional Fees payable by every student once every academic year and the Application Fee.

NOTE: Management agreed to offer one (1) full bursary for every 10 students recommended by your Office

We request you to ensure that the students forwarded for admission under your signature have the minimum requirements for the degree (two principal passes at UACE or equivalent) and diploma (one principal pass at UACE or its equivalent) programs, and have also filled and submitted an Application Form.

We look forward to working with you to educate Ugandans, particularly from your areas of operation, for development and progress of our Motherland.

Yours sincerely,

Adolf Mbaine, DLitt et Phil

VICE CHANCELLOR
